Kareena Sapkale

Student at K..m.agrwal college (Arts,Comm,Sci) kalyan (w)
Mumbai

Summary

I love to be on the edge of technology and always keen on finding the way out of it. I have made several projects like web application development, mobile app development.java project.Apart from these projects, I am also part of Intellect Global Services Pvt. Ltd and it helps people who can't afford education to pursue their studies but I am working on my skill set. This is helping me build a good network for life ahead of me

Experience

Teleperformance
Customer Service Associate
February 2019 - Present (3 years 3 months)
kalyan,mumbai
